SUMMARY

Detail-oriented and forward-thinking 2nd-year Commerce student with a profound interest in Computer Science. Currently pursuing my 3rd semester at Aptech Institute, where I am immersed in web development, specializing in both front-end and back-end technologies. In addition to my web development skills, I possess expertise in utilizing various AI tools and have a basic understanding of graphic design. Keen on expanding my knowledge and honing my skills in the dynamic field of technology. Eager to contribute my passion and proficiency to innovative projects and challenges.
